**POSITION OPENING
INFORMATION TECHNOLOGY ADMINISTRATOR
McCook Public Power District
McCook, NE**

McCook Public Power District will be taking applications for an Information Technology Administrator.

RESPONSIBILITY: The primary responsibility of this position will be to administer the information systems of the District including hardware, personal computer software of electrical/electronic, network and communications. The successful candidate will also troubleshoot related problems and coordinate solutions with senior management and vendors.

SKILLS: Must have a solid understanding of networking/distributed computing environment concepts; understands principles of routing, client/server programming and design of consistent network-wide file system layouts.

QUALIFICATIONS: A minimum of a two-year technical degree with emphasis in computer science or a related field preferred. Closely related progressive job experience and specialized training may substitute for the education requirement. Work experience with an electric utility or business is desirable, but not mandatory. Practical application of skills in a related type of organization for a minimum of three years is preferred.

WAGE: Wage will depend on experience and qualifications.

Visit our website at www.mppdonline.com to learn more about us.

Resume, letter of interest, and wage requirements must reach our office by March 14, 2025. You can e-mail them to opening@mppdonline.com or mail them to:
